SUMMER/  
FALL 2009

UC Irvine students getting ready to prayer walk and share their faith.

## Yes, I'm on staff now!

### A great summer at New Staff Training in Fort Collins, CO!

I'm so excited that I had the opportunity to join staff with 263 others this summer, sharing the same heart, the same purpose and a like vision. Together we took two introductory seminary courses on theology and Bible study methods and heard from many senior staff on spiritual development, including the Campus Crusade for Christ president, Steve Douglass. On our last night he urged us to continue to be

faithful to lead others to Christ and to pursue our own relationship with God with full hearts and open hands. I made so many friends I know I will be serving with for a lifetime - I'm so grateful for your support allowing me to go!

My ministry assignment is back in the **Orange County / Long Beach** area, where I was richly blessed by a full staff team, a great church, and the opportunity to labor for the thousands of Southern California college students.

Our vision continues to be empowering Asian American students to take their place as holistic, multiplying

leaders in God's kingdom. I'm so excited to return to my students there and continue to help them grow spiritually and teach them how to share their faith.

## building spiritual movements everywhere

One of my favorite parts of this summer was getting to come together with Epic staff across the nation for two days of vision, teaching and ministry updates. I particularly love hearing about what our staff and students are up to around the world, as we are a ministry not just to Asian-American students, but through Asian-American students. This summer we sent out 80 students to 5 different locations around the world, and together they were able to share the gospel 1372 times! As a result we now have 51 new brothers and sisters in Christ as well as 29 students who now understand what it looks like to walk in the Holy Spirit. **Praise God!**

Please pray :0)

- > Our semester-schedule schools (CSU Long Beach, Cerritos College) have been in session for some time! Pray for a renewed sense of direction and passion in our student leaders as they grow closer to God and

serve out of that relationship.

- > Our quarter-schedule schools (UC Irvine, UC Riverside) are in full swing! Please pray that students would be able to start off strong and focused as they begin class and live out the

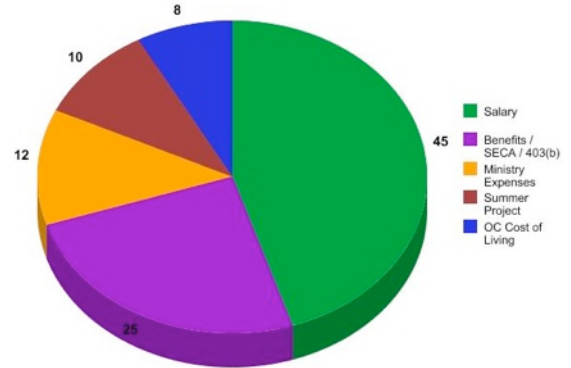

gospel among their friends and classmates.

> Pray that I would grow in the love and knowledge of God as I raise support!

**Over the last two years I've had so many generous ministry partners and I want to thank you for your continued support!** I am so grateful that the Lord has brought us together and seek to faithfully continue working to reach college students and ultimately the world for Christ with your gracious gifts.

Currently, I have raised **60%** of my support goal. My needs, as you can see in the graph, include both daily and ministry expenses. *Please prayerfully consider helping me return to campus fully funded.*

Monthly Support Breakdown

So what am I doing now?

Since Epic has no central funds, to be able to start ministering to college campuses I need to find concerned individuals and churches to generously give to my ministry.

thank you!
